18" Square; 10" deep

Corian® Sink Color Options

White Frost

White Mocha

Crema

Almond

*Made from acrylic-modified polyester.

Printed representation of colors may vary from actual samples.

Measurements are inside-bowl dimensions: length x width x depth, and are not exact. See technical drawing. All lavatories and sinks have front overflows, with additional options where listed. Dimensions differ slightly. Accessible sinks can be installed as ADA compliant when installed per Accessibility Guidelines requirements. Please refer to the Corian® Positioning Guidelines available on the Corian® Sinks page at corian.na.dupont.com
